Dear CCG and YAP Group Leaders,

How are you? We wish this letter finds you all well.

For your information, Chairman Mr. Deng Hong of Exhibition and Travel Group (ETG) has received the letter from the Governor Mr. Anefal on October 2, 2012. Leaders of ETG are still seriously thinking and considering about the project in Yap State.

The working team of ETG in Yap would like to meet with the Concerned Citizens Group (CCG) and Yap Awareness Project Group (YAP) to learn about your concerns and answer questions about our proposed investment project in Yap State. We believe the meetings will be helpful for the decision of the ETG leaders. And we also hope that our meetings can provide more first-hand information to you and address some of those concerns you may have.

The proposed time of the meetings:

Concerned Citizen Group (CCG)
November 5 (Monday) or November 6 (Tuesday), at 5pm

Yap Awareness Project Group (YAP)
November 7 (Wednesday) or November 8 (Thursday), at 5pm

Venue: 2nd Floor of the Restaurant of Yap Pacific Dive Resort (YPDR)

We would appreciate if you could confirm the time of meeting. Please kindly contact Mr. Yang Gang 952 2975 or Mr. Frank Li 952 3909.

We look forward to hearing from you soon.
